FEATURING THE WORLD'S LEADING DESIGNERS

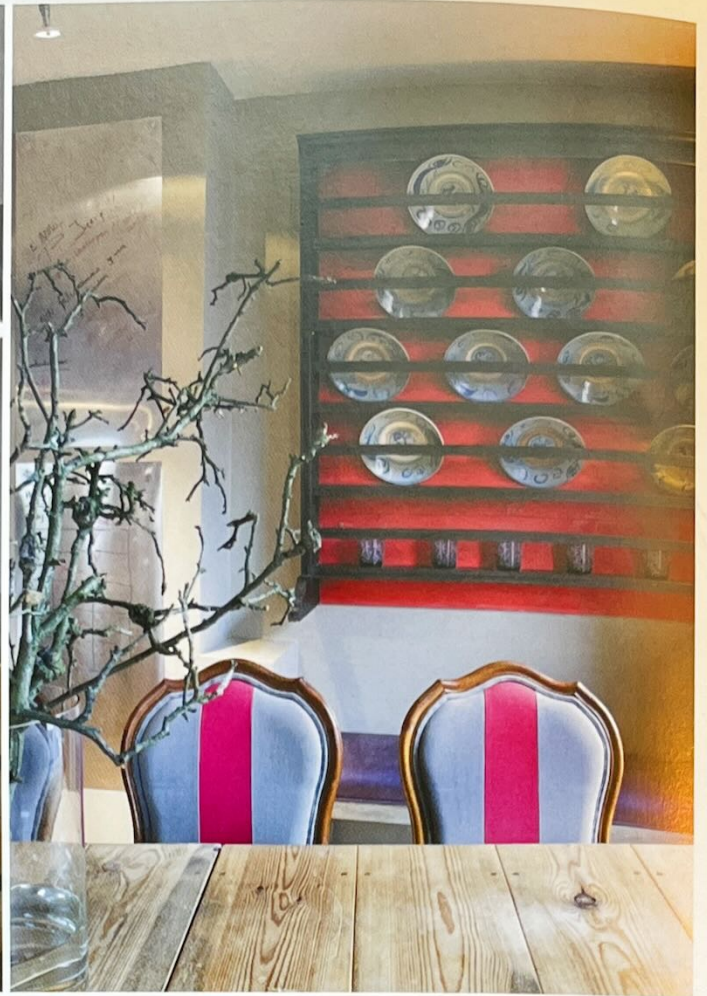

Osca &
Reuch

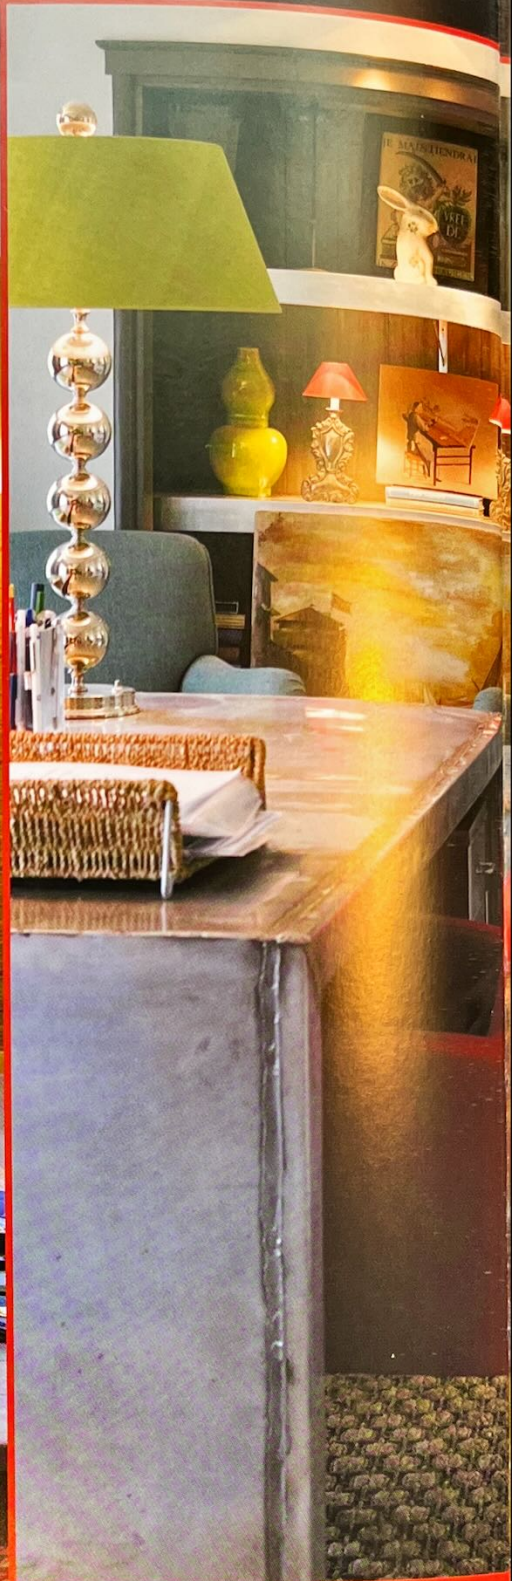

Pierrette lin

Designers: Osca & Pierrette Reuchlin.
Company: GR Home, Bloemendaal, Holland.
Projects: Predominantly residential
commissions.

Sisters combined by their love for colour continue their mother's business. Seeing themselves as environment energisers, they cannot stand a cheap copy and admit to loathing energy saving lightbulbs. Pierrette likes nothing better than a sausage sandwich from Borough Market, while Osca is quite partial to French fries from McDonald's.

**Both could do v
a design world**

**with a bit more sleep and
free from egos.**
